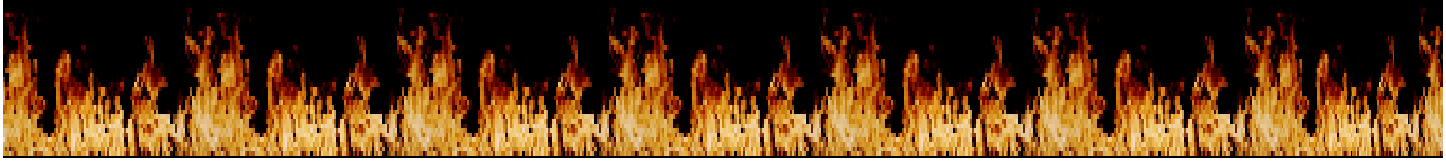
The Prophetic Judgment Of Michael Leroy Bickle And IHOPKC


“I say to Mike Bickle, why do you resist Me and the move I have planned? For I see you are full of sin, and have been for years. For you abuse Me for sex, and My Anointing has been misused to satisfy your sexual desire with women galore. For My Anointing is not to be misused to get women into bed to satisfy your sexual desires, and similar prophets have done the same thing. For I will place you in Hell, for your heart still desires sin, and you have not cleansed it from your life, but are controlled by adultery and sexual sin galore. For you have let the demons in through your rock music which you practice, and they control your lives. Rock music is detestable in My sight, worship that I do not accept, but is repulsive in My ears. For you will not repent, because you cannot, for I have destined you unto the Lake of Fire for your many sins that you have deliberately committed before Me, and will burn forever, O Mike Bickle! For you cannot repent, for I have taken it from you, O damned man, for both you and your congregation of sin will go there for eternity. Prepare to burn, for there is no more sacrifice for you, O wicked man, for eternity you will be burning in the Lake of Fire, both you and your wicked congregation of sin. Your LORD has spoken. Amen.”
